

Interdisciplinary Graduate Program in
Molecular & Cellular Biology

Spring 2013 Workshop & Seminar Series

"Integrins and Melanoma"

Xiaowen Sun

(DeMali Lab)

Molecular & Cellular Biology

"Human neutrophils display donor-specific priming responses upon TLR2/1 ligation"

Laura Whitmore

(Moreland Lab)

Molecular & Cellular Biology

Thursday, April 25
4:00-5:00 p.m., 1289 CBRB
